

MVRT HEADSTART

JUNE 13TH – 17TH

9AM-3PM

Incoming Monta Vista High 9th and 10th graders: Interested in Robotics?

Join MVRT Headstart! A summer program designed to give new members a boost by providing strong foundations for them to further their passions for robotics throughout high school. Learn Java, electronics, CAD, and more skills used by Monta Vista Robotics Team 115.

To register, mail to PO Box at right the form below and a \$50 deposit check written to MV ASB.

Further information will be sent when registered. The remaining balance of \$100 and the liability form are due by the first day of camp (June 13, 2016).

Classes will be held at Monta Vista High.

Scholarships are available, please contact mvrtheadstart@gmail.com for more information.

Send registration to:
MVRT Headstart
PO Box 966
Cupertino, CA 95015

Total Price: \$150.00
